I have the honour to state that the Minor Municipal Council of Nelamangala has resolved at its meeting held on 29-7-1941 that a grant of Rs 25/ may be paid towards a moiety of the cost of the repairs to the local Choultry the expenditure being proposed to be met out of the closing balance for the current year

2 It is seen from the enclosed file of papers received from the President of the Municipal Council that this Choultry was constructed out of public subscriptions about 10 years back and that the District Board constructed a well at a cost of Rs 900/- near the Choultry during the year 1935 for the public use The management of the Choultry is said to be in the hands of a Committee of 10 members This body has requested the Municipal Council for the grant of some contribution towards the urgent repairs of the Choultry

3 This Choultry is serving the needs of the public to a great extent The Municipality has not spent any money on the repairs of the building previously As per Section 23 (2) (c) of the Minor Municipalities Act of 1933 it is within the discretion of the Municipality to take -- measures to promote the "convenience interest or welafre of the Public But this power is subject to the exceptions and conditions that may from time to time be imposed by the Government As no definite rules

have been laid down by Government in this behalf I request that sanction of Government may kindly be obtained to the proposal of the Municipal Council to grant a sum of Rs 25/- from the closing balance of the unicipality for repairs to this building
